Chapter 2 General

Section I

Army Board for Correction of Military Records Establishment and Functions

2–1. Army Board for Correction of Military Records establishment

The ABCMR operates pursuant to law (10 USC 1552) within the Office of the Secretary of the Army. The ABCMR consists of civilians regularly employed in the executive part of the Department of the Army (DA) who are appointed by the Secretary of the Army and serve on the ABCMR as an additional duty. Three members constitute a quorum.

2–2. Army Board for Correction of Military Records functions

- a.* The ABCMR considers individual applications that are properly brought before it. In appropriate cases, it directs or recommends correction of military records to remove an error or injustice.
- b.* When an applicant has suffered reprisal under 10 USC 1034 and DODD 7050.6, the ABCMR may recommend to the Secretary of the Army that disciplinary or administrative action be taken against any Army official who committed an act of reprisal against the applicant.
- c.* The ABCMR will decide cases on the evidence of record. It is not an investigative body. The ABCMR may, in its discretion, hold a hearing (sometimes referred to as an evidentiary hearing or an administrative hearing in 10 USC 1034 and DODD 7050.6) or request additional evidence or opinions.

Section II

Application Procedures

2–3. Who may apply

- a.* The ABCMR's jurisdiction under 10 USC 1552 extends to any military record of the DA. It is the nature of the record and the status of the applicant that define the ABCMR's jurisdiction.
- b.* Usually applicants are soldiers or former soldiers of the Active Army, the U.S. Army Reserve (USAR), and in certain cases, the Army National Guard of the United States (ARNGUS) and other military and civilian individuals affected by an Army military record. Requests are personal to the applicant and relate to military records. Requests are submitted on DD Form 149 (Application for Correction of Military Record Under the Provisions of Title 10, U.S. Code, Section 1552). Soldiers need not submit applications through their chain of command.
- c.* An applicant with a proper interest may request correction of another person's military records when that person is incapable of acting on his or her own behalf, missing, or deceased. Depending on the circumstances, a child, spouse, parent, or other close relative, heir, or legal representative (such as a guardian or executor) of the soldier or former soldier may be able to demonstrate a proper interest. Applicants must send proof of proper interest with the application when requesting correction of another person's military records.

2–4. Time limits

Applicants must file an application within 3 years after an alleged error or injustice is discovered or reasonably should

have been discovered. The ABCMR may deny an untimely application. The ABCMR may excuse untimely filing in the interest of justice.

2-5. Administrative remedies

The ABCMR will not consider an application until the applicant has exhausted all administrative remedies to correct the alleged error or injustice.

2-6. Stay of other proceedings

Applying to the ABCMR does not stay other proceedings.

2-7. Counsel

- a.* Applicants may be represented by counsel, at their own expense.
- b.* See DODD 7050.6 for provisions for counsel in cases processed under 10 USC 1034.

Section III

Actions by the Army Board for Correction of Military Records Director and Staff

2-8. Criteria

The ABCMR staff will review each application to determine if it meets the criteria for consideration by the ABCMR. The application may be returned without action if—

- a.* The applicant fails to complete and sign the application.
- b.* The applicant has not exhausted all other administrative remedies.
- c.* The ABCMR does not have jurisdiction to grant the requested relief.
- d.* No new evidence was submitted with a request for reconsideration.

2-9. Burden of proof

The ABCMR begins its consideration of each case with the presumption of administrative regularity. The applicant has the burden of proving an error or injustice by a preponderance of the evidence.

2-10. Army Board for Correction of Military Records consideration

- a.* A panel consisting of at least three ABCMR members will consider each application that is properly brought before it. One panel member will serve as the chair.
- b.* The panel members may consider a case on the merits in executive session or may authorize a hearing.
- c.* Each application will be reviewed to determine—
 - (1) Whether the preponderance of the evidence shows that an error or injustice exists and—
 - (a)* If so, what relief is appropriate.
 - (b)* If not, deny relief.
 - (2) Whether to authorize a hearing.
 - (3) If the application is filed outside the statute of limitations and whether to deny based on untimeliness or to waive the statute in the interest of justice.

Section IV

Hearings and Disposition of Applications

2-11. Army Board for Correction of Military Records hearings

Applicants do not have a right to a hearing before the ABCMR. The Director or the ABCMR may grant a formal hearing whenever justice requires.

2-12. Army Board for Correction of Military Records decisions

The panel members' majority vote constitutes the action of the ABCMR. The ABCMR's findings, recommendations, and in the case of a denial, the rationale will be in writing.

2-13. Army Board for Correction of Military Records final action

The panel members' majority vote constitutes the action of the ABCMR. The ABCMR's findings, recommendations, and in the case of a denial, the rationale will be in writing.

- a.* Except as otherwise provided, the ABCMR acts for the Secretary of the Army, and an ABCMR decision is final when it—
 - (1) Denies any application (except for actions based on reprisals investigated under 10 USC 1034).
 - (2) Grants any application in whole or in part without a hearing when—
 - (a)* The relief is as recommended by the proper staff agency in an advisory opinion.

- (b) Is unanimously agreed to by the ABCMR panel.
- (c) Does not involve an appointment or promotion requiring confirmation by the Senate.
- b. The ABCMR will forward the decisional document to the Secretary of the Army for final decision in any case in which—
 - (1) A hearing was held.
 - (2) The facts involve reprisals under the Military Whistleblower Protection Act, confirmed by the DOD Inspector General (DODIG) under 10 USC 1034 and DODD 7050.6.
 - (3) The ABCMR recommends relief but is not authorized to act for the Secretary of the Army on the application.

2–14. Decision of the Secretary of the Army

a. The Secretary of the Army may direct such action as he or she deems proper on each case. Cases returned to the Board for further consideration will be accompanied by a brief statement of the reasons for such action. If the Secretary does not accept the ABCMR's recommendation, adopts a minority position, or fashions an action that he or she deems proper and supported by the record, that decision will be in writing and will include a brief statement of the grounds for denial or revision.

b. The Secretary of the Army will issue decisions on cases covered by the Military Whistleblower Protection Act (10 USC 1034 and DODD 7050.6). In cases where the DODIG concluded that there was reprisal, these decisions will be made within 180 days after receipt of the application and the investigative report by the DODIG, the DA Inspector General (DAIG), or other Inspector General offices. Unless the full relief requested is granted, these applicants will be informed of their right to request review of the decision by the Secretary of Defense.

2–15. Reconsideration of Army Board for Correction of Military Records decision

An applicant may request the reconsideration of an ABCMR decision under the following circumstances:

a. If the ABCMR receives the request for reconsideration within 1 year of the ABCMR's original decision and if the ABCMR has not previously reconsidered the matter, the ABCMR staff will review the request to determine if it contains evidence (including, but not limited to, any facts or arguments as to why relief should be granted) that was not in the record at the time of the ABCMR's prior consideration. If new evidence has been submitted, the request will be submitted to the ABCMR for its determination of whether the new evidence is sufficient to demonstrate material error or injustice. If no new evidence is found, the ABCMR staff will return the application to the applicant without action.

b. If the ABCMR receives a request for reconsideration more than 1 year after the ABCMR's original decision or after the ABCMR has already considered one request for reconsideration, then the case will be returned without action and the applicant will be advised the next remedy is appeal to a court of appropriate jurisdiction.

Chapter 3 Claims/Expenses

3–1. Authority

- a. The Army, by law, may pay claims for amounts due to applicants as a result of correction of military records.
- b. The Army may not pay any claim previously compensated by Congress through enactment of a private law.
- c. The Army may not pay for any benefit to which the applicant might later become entitled under the laws and regulations managed by the Department of Veterans Affairs.

3–2. Settlement of claims

a. The ABCMR will furnish DFAS copies of decisions potentially affecting monetary entitlement or benefits. The DFAS will treat such decisions as claims for payment by or on behalf of the applicant.

b. The DFAS will settle claims on the basis of the corrected military record. The DFAS will compute the amount due, if any. The DFAS may require applicants to furnish additional information to establish their status as proper parties to the claim and to aid in deciding amounts due. Earnings received from civilian employment during any period for which active duty pay and allowances are payable will be deducted. The applicant's acceptance of a settlement fully satisfies the claim concerned.

3–3. Payment of expenses

The Army may not pay attorney's fees or other expenses incurred by or on behalf of an applicant in connection with an application for correction of military records under 10 USC 1552.

Chapter 4 Miscellaneous Provisions

4-1. Special standards

a. Pursuant to the 27 November 1979 order of the United States District Court for the District of Columbia in *Giles v. Secretary of the Army* (Civil Action No. 77-0904), a former Army soldier is entitled to an honorable discharge if a less than honorable discharge was issued to the soldier on or before 27 November 1979 in an administrative proceeding in which the Army introduced evidence developed by or as a direct or indirect result of compelled urinalysis testing administered for the purpose of identifying drug abusers (either for the purposes of entry into a treatment program or to monitor progress through rehabilitation or follow-up).

b. Applicants who believe that they fall within the scope of paragraph *a*, above, should place the term "CATEGORY G" in block 11b of DD Form 149. Such applications should be expeditiously reviewed by a designated official, who will either send the individual an honorable discharge certificate if the individual falls within the scope of paragraph *a*, above, or forward the application to the Discharge Review Board if the individual does not fall within the scope of paragraph *a*, above. The action of the designated official will not constitute an action or decision by the ABCMR.

4-2. Public access to decisions

a. After deletion of personal information, a redacted copy of each decision will be indexed by subject and made available for review and copying at a public reading room at Crystal Mall 4, 1941 Jefferson Davis Highway, Arlington, VA. The index will be in a usable and concise form so as to indicate the topic considered and the reasons for the decision. Under the Freedom of Information Act, records created on or after 1 November 1996 will be available by electronic means.

b. Under the Freedom of Information Act and the Privacy Act of 1974, the ABCMR will not furnish to third parties information submitted with or about an application unless specific written authorization is received from the applicant or unless the Board is otherwise authorized by law.
